

Roanoke River Basin IBT Coalition

March 31, 2010

Federal ID No. (EIN) 27 1687707

Origination

- June 29, 2009 Briefing Meeting conducted by NC Rep. Lucy T. Allen in Halifax County, NC.
- Also participating – NC Rep. Michael Wray and Tom Reeder, Director of NC DWR.
- Purpose – to point out to community and organization officials their ability to participate in the IBT request process under NC Statute (G.S. 143-215.22L) Regulation of Surface Water Transfers.

Origination (Continued)

- Established Need – KLRWS IBT Request
Public Notification

- RRBA survey showed:

Out of 47 lower basin communities with NC Water supply plans – 37 were contacted. Only 8 were aware of the request for comments.

Origination (Continued)

- Conclusion after Briefing – Form a coalition to keep abreast of all IBT's, and to participate substantially in the process as a cohesive group.
